

SMALL GROUP  
Facing reality

Starting Questions:

- Ask everyone to share one thing they still want to do before they die.

Read Ecclesiastes 11:9-12:7

- The theme for this Sunday was “facing reality”; what realities do you think you would face if you found out you had one month to live? Let everyone share one answer with the group.
- There are different aspects to our lives; relational, physical... and spiritual: what kind of spiritual realities do you think you would face?

Reality of God

- Values us – Psalm 8:3-6
- Identifies with us – John 1:14
- Gave his life for us – Romans 5:8
- Loves us – 1John 4:10
- Wants relationship – Hosea 6:4-6
- Courts us – Revelations 3:20

If you had one month to live, how would you live it? Would you accept God into your life? Would you prioritize God more if you have walked with Him for years?

Prayer:

Break into smaller groups and pray for each other.
